2025

Energy efficiency rating

A

Located in the heart of town, this beautiful residential project seamlessly blends luxury, elegance, and sophistication. The development offers spacious, modern apartments with high-end finishes and exquisite architectural design—just minutes from all essential amenities, schools, and a short drive to the vibrant hubs of Protaras and Ayia Napa.

Each apartment features quality flooring, Italian-style kitchens, and large windows that flood the interiors with natural light. The combination of luxury living and minimalist design, along with the project's premium location, makes it ideal for both permanent
