An agricultural field in Frenaros is now available for sale.

The field is located in a very good area, just 90m from the roundabout between Frenaros and Sotira. The location offers great proximity to both Frenaros and Sotira and also provides easy access to the highway and tourist resorts in the area.

It has a total land area of 12572sq.m., an irregular shape and a flat surface. It can be accessed through the main public road that connects Frenaros and Sotira and it enjoys a total of 217m of road frontage.

It is also noted that the field is adjacent to government land on its south border, and is very close to the residential planning zone of Frenaros.
