Energy efficiency rating

 A

Luxury living with minimalistic design along with its premium location makes this project ideal for permanent residence as well as for holiday home. Concrete and glass are the major exterior features which give a modern unique look.

The apartments inside are luxurious and contemporary and project is designed to meet the needs of families and couples who want to use it either for permanent residence or for holiday home with high rental yield. Viewings Highly Recommended.

Apartment benefits from its private roof terrace with sea views.
