Development Land with Independent Access in Frenaros – 2,480 m²

€120,000 +VAT

~~€130,000~~

Frenaros, Famagusta

Area

2480 m²

This is a 2,480 m² development site in Frenaros. It is held as a 47.5% share of a larger 5,222 m² parcel and has its own separate road access, so it works as a standalone plot.

The rest of the parcel has already been built out with 14 completed houses. All of the parcel's unused building density is allocated exclusively to this share. The buyer gets clear, ready development rights without depending on the existing homes or their owners.
