Agricultural Field For Sale in Protaras

€200,000

 Protaras, Famagusta

Area

 4424 m²

Type

Field

Discover this attractive agricultural field in the highly sought-after area of Protaras, within the Famagusta district.

Ideally positioned approximately 2 km from the Agios Panteleimon roundabout and just 100 meters from Akefalou Avenue, the property offers both convenience and accessibility.

With a generous plot size of 4,424 square meters, this field benefits from registered road access and a prime corner location, ensuring excellent visibility and easy entry.

Its irregular shape adds versatility, making it suitable for a range of agricultural uses or future investment potential.
